PROVISIONS

All conditions and requirements contained in reports of examination or permits previously issued apply to this superseding certificate unless specifically noted below.

This superseding certificate is the result of an administrative division of Ground Water Certificate No. 4082-A into 4082-A(A) - Scholl/Lasher, 4082-A(B) - Brunchgrass LLC, and 4082-A(C) - Cockerline. This administrative division shall not be construed as validation as to the extent of Ground Water Certificate No. 4082-A as originally authorized. The quantities provided on the superseding portions of this water right reflect agreement among the owners of the described place of use, but are not confirmed by Ecology in the recording of the division of said right. The actual amounts authorized by the superseding certificates are subject to historic beneficial use of Ground Water Certificate No. 4082-A.

Water available under this authorization may not provide a continual supply throughout each irrigation season.

The right to use of the water aforesaid hereby confirmed is restricted to the lands or place of use herein described, except as provided in RCW 90.03.380, 90.03.390, and 90.44.100.

This superseding certificate of water right is specifically subject to relinquishment for non-use of water as provided in Chapter 90.14 RCW.

*Given under my hand and the seal of this office at Spokane, Washington,
this 19th day of June, 2013.*
